

National Architectural Accrediting Board, Inc.

July 26, 2016

Prof. Dr. Necdet Osam, Rector
Eastern Mediterranean University

Sent via electronic mail

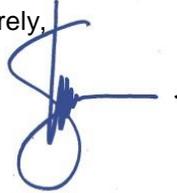

Dear Dr. Osam:

At the July 2016 meeting of the National Architectural Accrediting Board, the board reviewed the Visiting Team Report from visit three to Eastern Mediterranean University. I am pleased to report that the Bachelor of Architecture degree (158 credits) has been granted Substantial Equivalency for a period of six years. The Substantial Equivalency term is effective January 1, 2016.

The NAAB requires that the following documents be housed together in the architecture library and be freely available to everyone: the most recent Architecture Program Report, the final Visiting Team Report (attached), and the current editions of the *Conditions for Substantial Equivalency* and the *Procedures for Substantial Equivalency*. Also see Appendix 6 of the *2012 Conditions* for the required text in catalogs and promotional materials.

On behalf of the NAAB directors, the visiting team, and staff, I want to congratulate EMU on achieving the Substantial Equivalency designation.

Sincerely,

Scott Veazey, AIA
President
